

January 2018

Dear Community Sponsor ~

The Norris Elementary PTA will be hosting a Spring Carnival and Silent Auction on Friday, April 20, 2018. Our auction and sponsorships are a main source of funding for our organization.

Norris Elementary PTA is a non-profit 501(c)(3) organization, serving the community of Norris Elementary School. Each year, the Norris PTA sponsors and funds many programs and activities that enrich and enhance the educational experience of over 800 students. We have funded several events and materials this past year including but not limited to: Dr. Recess, Drum Cafe, historic traveling Dinosaur Exhibit, book fairs to encourage reading, purchasing guided reading materials and library books, and more. The Norris PTA also helps enhance literacy libraries, purchasing classroom resources and materials. These activities are supported by funds raised during the Spring Carnival.

*As a merchant patronized by our PTA members, would you help us with this year's event with a merchandise donation, and/or gift certificate? **Your tax-deductible donation will be acknowledged in pre-event ads and added to our PTA website viewed by hundreds of families inside and outside of our community, providing valuable exposure for your business.***

On behalf of the Norris Elementary PTA, we appreciate your support of this year's event and our school community. For more information, please contact Tania Bailey at 972-342-7820 or TBailey820@yahoo.com. I will also be happy to stop by and pick up your donation.

Appreciatively,

A handwritten signature in black ink that reads "Tania Bailey". The signature is written in a cursive style with a large, looping flourish at the end.
